This standard aims to give the Apprentice the knowledge, skills and behaviours to complete teaching assistant tasks and duties successfully.

Day-to-day tasks include interacting with learners, working with teachers and other professionals, delivering individual and small group teaching and implementing safeguarding policies and safe practice.

Typical job roles include:

Assistant teacher

Classroom assistant

Learning support assistant

Learning support worker

Specialist curriculum support

What your Apprentice will learn

Apprentices develop knowledge, skills and behaviours to be able to work effectively in their job role.

These form the Apprenticeship standard that has been developed and agreed with employers.

100%

pass rate at end-point assessment
