

Painter and Decorator

Sector	Construction and Building Trades
Who is it for?	New recruits and existing staff
Start date	September
Level	2
Duration	24 months plus end-point assessment
End-point assessment	Ongoing assessment and final grading through end-point assessment
Qualification	Level 2 Painting and Decorating
Delivery model	Weekly college session

The standard aims to give the Apprentice the knowledge, skills and behaviours to complete painting and decorating tasks and duties.

Day-to-day tasks may include surface preparation, painting, wallpapering, specialist finishes, and working with a variety of materials and tools. Apprentices will also learn health and safety regulations, teamwork and customer service.

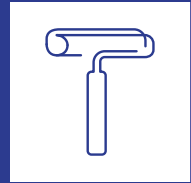

Typical job roles include:

A professional painter and decorator in construction firms

A self-employed decorator working on domestic and commercial projects

A specialist in advanced finishes and decorative techniques

What your Apprentice will learn

Apprentices develop knowledge, skills and behaviours to be able to work effectively in their job role.

These form the Apprenticeship standard that has been developed and agreed with employers.

100%

pass rate at end-point assessment
